

**MNBS is proud to have helped the following award winning businesses with their health and safety requirements:**

**RHI Installer of the Year**

**SUDS & Flood Management Initiative of the Year**

“Special praise goes to Mark for his continued assistance and determination in pushing through health and safety practices that allow us to progress”

“Very thorough and very professional”

“Absolutely spot on – as usual”

Commenting on RAMS compiled by MNBS on behalf of Civil Solutions (UK) Limited:

**“It was a pleasure to read your RAMS...makes a nice change to see documentation that is not only user friendly, but also specific to the works that you are carrying out.”**

*Andy White*

*Health, Safety & QA Manager*

*Strongvox Homes*

Commenting on RAMS compiled by MNBS  
on behalf of Ashwell Biomass Limited:

**“...RAMS provided...very well constructed  
and comprehensive.”**

*Malcolm Smith*

*Technical Support Manager*

*British Gas Business Service and Repair*

**“Thank you for your input – it was  
appreciated and we won the job!”**

*Catherine Moutell*

*Director*

**“Thanks for all your hard work in driving the required improvements (and) actions”**

*Paul Knight  
Director*

**“Thank you for everything you have done for us”**

*Peter Welford  
Director*
