

M N
B S

HOW DO YOU CONSULT WITH AND INVOLVE YOUR WORKFORCE ON HEALTH AND SAFETY MATTERS?

Why not let MNBS do the talking for you? After all, apart from his skills, knowledge and experience within the field of health and safety, Mark holds the ABC/QCA Teaching Certificate in Facilitating Learning (so, he's qualified to teach not just in the workplace but also at Further Education level).

Did you know?

If a one-hour training session delivered to just 10 workers results in a 1% improvement in safety, your company will save close to 200 hours of production time in a year – which is the same as having an **EXTRA EMPLOYEE FOR FIVE WEEKS.**
